Who Can Register to Vote?

To qualify to vote in Washington State, you must be a citizen of the US, a resident of Washington for at least 30 days, at least 18 years old by Election Day, and not currently confined to prison due to a felony conviction. Those previously convicted of a felony are allowed to re-register to vote immediately upon release from prison, even if they are under community custody or still owe court debt. If unsure of your status, contact the ACLU at 206-624-2180 or www.aclu-wa.org. 16- and 17-year-olds can register to vote but their registration will not activate until they are 18; however 17-year olds may also vote in a Primary Election if they will be 18 by the date of the General Election. Certain domestic violence/harassment victims can keep their address confidential to protect them from abuse/harassment. Contact the Address Confidentiality Program at 360-753-2972.

Registration Deadlines

Online or mail-in registration must be received by the Elections office at least 8 days before Election Day. Registration can be done in-person before 8 PM on Election Day.

What If I Move?

You may update your registration the same way you register up to 8 days before the election. If this update is not made by the deadline, you may still vote according to your previous address. Contact the Elections office to obtain a ballot as it may not be forwarded by the post office. **If you move to a new state**, you must re-register with the Elections office in the new state in order to vote. **If you have changed your name**, complete a new voter registration form or contact the County Elections office in writing with your previously registered and new names, date of birth, current address and signature.

Your Mailing Address

PO Box numbers may not be used for your residence address. However, they may be used for your mailing address. If you have a nontraditional address, such as a motor home or transitional housing, your voting residence is the physical location at the time you register to vote. You may list a different mailing address.

If you are a Snowbird, update your seasonal mailing address at the County Elections office. Provide the first and last days you'll receive mail at this address and the County Elections office will send your ballot to your seasonal address between the dates indicated.

Washington residents who are away at college or living overseas can update their mailing address online at www.VoteWA.gov and receive a ballot anywhere in the world. The ballot will reflect ballot measures and candidates for your Washington residence address.

Where Can I Register to Vote

You can register to vote online with through the Secretary of State's website at **www.VoteWA.gov** with a Washington State Driver License or ID. Mail-in registration forms can be requested or printed (also in different languages) at **www.sos.wa.gov/elections/voters**. You can register when you get your new state driver license or ID at the Department of Licensing. Registration can be done in person at:

Clallam County Elections & Voter Registration Office

Clallam County Courthouse, 223 E 4th St, Rm 042, Port Angeles, WA

Voting in Clallam County

All elections in Washington State are by mail-in ballot. If you are registered to vote in Washington State, you are automatically mailed a ballot at least 18 days before Election Day. Contact the County Elections office (360-417-2221) if you need a replacement ballot. There are three ways to return your ballot:

- Mail it, making sure it is postmarked no later than Election Day. No postage is required.
- Drop it off at a secure Ballot Drop Box by 8:00 PM on Election Day. These are located at:
 - Carlsborg:** 261461 Hwy 101 (near Sunny Farms, adjacent to Mill Road)
 - Clallam Bay:** 16990 Hwy 112 (in front of the Clallam Bay Branch Library)
 - Forks:** 500 E Division St (outside Forks City Hall)
 - Neah Bay:** 1450 Bayview Avenue (in front of Washburn's General Store)
 - Port Angeles:** 223 E 4th St (in the Courthouse circular drive; also directly across from the disabled parking)
 - Sekiu:** 15 Sekiu Airport Road (at the PUD, in the drive-up lane)
 - Sequim:** 651 W Washington St (in the parking lot)
- Drop it off in person at the Clallam County Elections office by 8:00 PM on Election Day.

Make Sure Your Vote is Counted

Carefully follow all instructions on your ballot. Use only black ink pen to vote. Make sure to sign your ballot. The signature on every ballot envelope is verified against the voter's registration record. If your signature has changed, please update your record at the County Elections office. Respond immediately if you are contacted by the County Elections office. You may have forgotten to sign the return envelope or your signature may not match your voter registration record. If you do not respond, your vote will not count. After voting, go to **www.VoteWA.gov**, enter your name and birthdate, and select "Your Ballot" to see if your ballot has been received and counted.

Accessible Voting

Clallam County's Accessible Voting Unit (AVU) is available within the Elections office starting 20 days before Election Day until 8:00 PM on Election Day. If you are unable to cast a ballot due to a disability, you may designate a person of your choice, or two election officers, to enter the voting booth and record the votes as you direct.

Primaries in Washington State

Washington has a "Top 2" Primary election system for most elections which means that the two candidates who receive the most votes in the Primary advance to the General Election, regardless of their party preference. Washington voters do not declare party affiliation as part of voter registration. In each race, you may vote for any candidate listed on the ballot. The exception to this is the Presidential Primary and the election of PCO's (Precinct Committee Officers) where a voter must mark their political party on the outside of the ballot envelope and you must vote for a candidate from your declared party.

Contacting Your Representatives

Sharing your thoughts with the people who represent you at the local, state and national level is easy and vital to the functioning of our democracy. When an issue or legislation arises that you care about, contact your representatives by email or phone and request a meeting to ensure that your voice is heard. Virtually all elected officials have access to virtual meetings.

Tips for Communicating with Elected Officials:

- Don't be intimidated, you don't need to know everything, just share your perspective.
- Email is now the preferred method of communication, but phone calls, postcards and letters are still effective.
- To comment on a specific bills, visit the bill page (leg.wa.gov/bills-meetings-and-session/bills) and select "comment on this bill."
- Be courteous and to the point. Keep letters to one page.
- Address letters to elected officials to "Position" plus name, as in "Councilmember Jane Doe."
- Describe specifically and in your own words how an issue or legislation will affect you and others you know.
- Include the legislative bill number or its popular name if you are commenting on specific legislation.
- Be sure to give your name, current address, email address and phone number.
- Ask for a response.
- Give positive feedback. Take the time to let representatives know when they have done something

Remember, your elected officials represent you!
